- 1.1** The Canyon Athletic Association (CAA) is a not-for-profit corporation created to provide competitive athletic competition for non-traditional educational institutions. The CAA consists of member schools at the junior high and high school levels that wish to participate in interscholastic activities. The member schools include, but are not limited to, charter schools, public schools, home school organizations and parochial schools. It is our goal to help facilitate communication, provide structure and guidelines, organize tournaments and manage the funds necessary for these activities. The CAA seeks to provide high standards of integrity while providing great flexibility to accommodate the needs of our member schools.
- 1.2** As a privately-owned corporation, the CAA reserves the right to suspend or expel any group that violates the terms set forth in this document. Member schools of the CAA agree to follow the guidelines as set forth in this Constitution.
