New Business:

Tennis:

Comments: Sport has been a concern financially for the association the last 2 years, changes are needed to find sustainability. Members should prepare for an increase, along with more hosting responsibilities during the 23-24 school year. Low participation is causing the loss of revenue, court rental increases and operational expenses.

2 Words Character Development Student Leadership:

Class is offered once a month, free to the CAA Member Schools at the High School level. Look for the link each month to join the meeting.

Girls Flag Football:

2023 Junior High season is officially set, schedules are released and we are set to host our first ever state tournament in December. Season will run in Season 2 timeline, 12 teams competing in year one. Free Football Camp is being offered on September 22 @ Vista College Prep in Phoenix.

Competition Committee:

Interested in being a part of this committee, please reach out to Trever Tucker, New Way Academy Athletic Director. Committee will help oversee region placement and division placement for the association.
